А	Clear Mountain Bank Activate token	
	Tokens help to prevent unauthorized people from logging into online banking or doing things like making payments by generating a code that must be entered into online banking along with a personal identification number (PIN) that you will define.	
	To activate your token, you will need the app on your device. Download and open the app, then click Begin activation below. Detailed instructions on downloading and starting the app are available. BEGIN ACTIVATION ASK ME LATER	

Have your phone handy: Click on Begin Activation on the mobile device:

iPhone	Android
Tel T ALEMA ANIM	🎔 🐹 📕 4:10
Activation	Activation
Begin activation	€ Begin activation

The mobile device's camera will open. Use it to scan the image on the Activate Token page which will appear similar to the image below:

After successfully scanning the image, the app will display the Device Code

Enter the Device code: How it shows on the App. Enter the Device Nickname: This is what you like to call your device (myphone) Create a 4 digit PIN: This PIN will be entered each time directly following your token code Enter a Security Question: Enter an Answer: Click on Continue.
